Docket No. 2012-136-C

Dear Ms. Boyd:

Attached for filing on behalf of the South Carolina Telephone Companies listed below, please find the following:

Attachment A (Intrastate portion of Tariff Review Plan, being filed in accordance with the Hearing Officer's directive dated May 29, 2012);
and

Attachment B (JSI spreadsheet showing the detailed treatment of Interim LEC Fund as bulk billed access, provided as additional support for proposed changes).

These documents are being filed as the required supporting documentation for intrastate switched access rate reductions, in compliance with the Commission's directive dated April 11, 2012 in the above-referenced docket, and in furtherance of the transition plan set forth by the Federal Communications Commission in its USF-ICC Reform Order released on November 18, 2011.

These materials contain proprietary information and we ask that they be afforded confidential treatment, as provided for in Commission Order No. 96-882. We are filing electronically a redacted public version of Attachment A and Attachment B. (Because the public version contains no individual company data, we are filing one blank version of each form rather than filing blank forms
